### Germany

On the 11th of October the Filder-Cup Karate Championship in Stuttgart Germany. This Tournament was only for the kata. Mainly the event was organised for all the members who are taking part in District and German Karate Championships to have their training. It was open to all styles as well as to all 16 Districts. Lots of District and German National Team members took part in this day.

One of Germany's Seiko Kai Shitoryu Senior member as well as an instructor Dimithrius Minithanthri took part in the Championship under the category over 18years Black belt Kata event. As they didn't have many participants in the category over 30years Black belt event they were also combined together with the category over 18years black belt event.

Seiko-Kai member Dimithrius managed to receive 1<sup>st</sup> Place from all these categories, proving his very high quality of performance to the judges as well as to the public. After his performance some Judges and also some members of the public gave him some good compliments.

- 2.) August 13, 2008 was the Shodan/1st Dan Shitoryu-Seiko Kai Examination here. Our two students who participated successfully passed the test. The examination is really a very hard work here and lasted almost 3 hours. They really did very well - so congratulations to Anurag Nalkara and Gabriel Wildberger.

- 3.) Student "Arleen Reyes" went to Tokyo, Japan September 3-8, 2008 to visit Souke Suzuki. She really enjoyed her stay there and was so grateful for the warm welcome of our grandmaster and his students.
