L.P.K. was present with his Competition Team at the Santo Tirso/Vila das Aves International Tournament (January, the 26th) along with 950 athletes, Portuguese and foreigners.

L.P.K. had 18 athletes competing in several categories, whether in Kata or Kumite, as well as 3 invited referees.

According our athletes development plan, besides the formation categories, we were represented in Seniors/Juniors and Cadets - Kata and Kumite.

As planned for the current year, our major goal is focusing on a kumite team renovation, as well as Kata improvement. The results are already achieved with success at the Serbia's World Championship, Nationals and Regionals Of FNKP and Clubs National Championship.

A note to our athlete, Marta Correia (cadets kata), joining the National Team at the European Championship - Feb. 8-10 -Turkey.

We enhance the great success of all our athletes: besides the won medals, almost everyone else was disputing the access to the podium in all categories, finishing in very good positions.

Other objective was fulfilled, our athlete's competition's training for the Seniors National Championship and younger categories of F.N.K.P.

We congratulate all the entourage at Santo Tirso/Vila das Aves: athletes, coaches, referees and also the parents who accompanied us in this event.

The L.P.K was present in the Clubs National Championship of F.N.K.P (portuguese karate federation) that took place on January, the 5th in the city of Coimbra.

L.P.K. has participated in the seniors, cadets-juniors and juveniles categories in Kata and Juveniles Kumite.

According to the competitive development plan of our athletes during this season and after the obtained results in the several national and international competitions, this year, we also began a project with our Kata and Kumite teams.

In Coimbra we developed a great performance; all of our athletes did their best, they supported their team and reached fine achievements.

Due to the excellent work developed by the competition department - the instructors Filipe Mendes, Carlos Gomes e Jorge Peixeiro, with the support of LPK National Selector, Sensei Rui Inácio - we were able to reach excellent results on the competition.

This is the confirmation of our great capacity as a "TEAM" to which we gratefully acknowledge this path of victories on behalf of the Direction and Technical Council.

**The Kumite team won the first 2 rounds. Was beaten on the 3rd with two ties and one defeat. Excellent result for a team recently created. Besides the official teams we participate with 2 athletes more, who achieved a good performance.**

We congratulate all athletes, coaches and parents for all the support you have given us.
